Throw a Destination Wedding in the USA

Sausalito, California

The **Casa Madrona** was originally built in the 1880s as a private home. Today, it houses 11 airy, relaxed-chic guest rooms, many with terraces. The Alexandrite Suite, with perks like a fireplace-equipped terrace with panoramic views of the bay, and the new Junto room are a top pick for wedding ceremonies. Receptions for up to 130 guests can be held in those spaces, as well as in two additional salons or the on-site Poggio restaurant. In addition to serving their signature gourmet, locally sourced cuisine, the hotel can craft any type of event to your specifications. They've brought in hay barrels and a mechanical bull for a western-themed wedding, for example, and once seated 100 dinner guests at one table, decorated with over 500 votive candles and thousands of red rose petals. **Read more ►**
